SECURITIES AND EXCHANGE COMMISSION

[Release No. 34–106005; File No. SR–Phlx–2025–50]

In the Matter of Nasdaq PHLX LLC; Order Granting Petition for Review and Scheduling Filing of Statements Regarding an Order Approving, on an Accelerated Basis, a Proposed Rule Change, as Modified by Amendment No. 1, To List and Trade Nasdaq Bitcoin Index Options

July 29, 2026.

This matter comes before the Securities and Exchange Commission (''Commission'') on petition to review the approval, pursuant to delegated authority, of Nasdaq PHLX LLC's (''Phlx'') proposed rule change (File No. SR-Phlx-2025–50) to list and trade Nasdaq Bitcoin Index options.

On September 23, 2025, Phlx filed with the Commission, pursuant to Section 19(b)(1) of the Securities Exchange Act of 1934 (''Act'') [1] and Rule 19b–4 thereunder,[2] the proposed rule change. The proposed rule change was published for comment in the **Federal Register** on September 29, 2025.[3] On November 3, 2025, the Division of Trading and Markets (''Division''), for the Commission pursuant to delegated authority,[4] designated a longer period within which to approve the proposed rule change, disapprove the proposed rule change, or institute proceedings to determine whether to approve or disapprove the proposed rule change.[5] On December 23, 2025, the Division, for the Commission pursuant to delegated authority,[6] instituted proceedings under Section 19(b)(2)(B) of the Act [7] to determine whether to approve or disapprove the proposed rule change.[8] On March 20, 2026, the Division, for the Commission pursuant to delegated authority,[9] designated a longer period for Commission action on the proposed rule change.[10] The Commission received comments regarding the proposed rule change.[11]

On May 15, 2026, Phlx filed Amendment No. 1 to the proposed rule change, which replaced and superseded the original filing in its entirety. On May 22, 2026, after consideration of the record in the proposed rule change, the Division, for the Commission pursuant to delegated authority,[12] published notice of Amendment No. 1 and approved the proposed rule change, as modified by Amendment No. 1, on an accelerated basis (''Approval Order'').[13]

Pursuant to Rule 430 of the Commission's Rules of Practice,[14] on June 11, 2026, CME Group Inc. (''CME'') filed a notice of intention to petition for review of the Approval Order,[15] and on June 18, 2026, CME filed a petition for review of the Approval Order.[16] Pursuant to Rule 431(e) of the Commission's Rules of Practice, notice of intention to petition for review results in an automatic stay of the action by delegated authority until the Commission orders otherwise.[17]

Pursuant to Rule 431 of the Commission's Rules of Practice,[18] CME's petition for review of the Approval Order is granted. Further, the Commission hereby establishes that any party or other person may file a written statement in support of or in opposition to the Approval Order on or before August 24, 2026.

For the reasons stated above, it is hereby:

Ordered that CME's petition for review of the Division's action made pursuant to delegated authority is *granted;* and

It is further *ordered* that any party or other person may file a statement in support of or in opposition to the action made pursuant to delegated authority on or before August 24, 2026.

It is further *ordered* that the Approval Order shall remain stayed pending further order of the Commission.

[Release No. 34–106006; File No. SR–LTSE–2026–15]

Self-Regulatory Organizations; Long-Term Stock Exchange, Inc.; Notice of Designation of a Longer Period for Commission Action on a Proposed Rule Change To Amend its Rules Related to Market Makers

July 29, 2026.

On June 2, 2026, Long-Term Stock Exchange, Inc. (''LTSE'' or ''Exchange'') filed with the Securities and Exchange Commission (''Commission''), pursuant to Section 19(b)(1) of the Securities Exchange Act of 1934 (''Act'') [1] and Rule 19b–4 thereunder,[2] a proposed rule change to establish a comprehensive market maker registration framework, formalize the registration and oversight of individuals who perform market making activities on behalf of Exchange members, and create a new Assigned Market Maker Program for Non-LTSE-Primary-Listed Securities traded on the Exchange. The proposed rule change was published for comment in the **Federal Register** on June 18, 2026.[3] The Commission has received no comment letters on the proposed rule change.

Section 19(b)(2) of the Act [4] provides that within 45 days of the publication of notice of the filing of a proposed rule change, or within such longer period up to 90 days as the Commission may designate if it finds such longer period to be appropriate and publishes its reasons for so finding, or as to which the self-regulatory organization consents, the Commission will either approve the proposed rule change, disapprove the proposed rule change, or institute proceedings to determine whether the proposed rule change should be disapproved. The 45th day after publication of the notice for this proposed rule change is August 2, 2026. The Commission is extending this 45-day time period.

The Commission finds it appropriate to designate a longer period within which to take action on the proposed rule change, so that it has sufficient time to consider the proposed rule change. Accordingly, the Commission, pursuant to Section 19(b)(2) of the Act,[5] designates September 16, 2026, as the date by which the Commission shall either approve or disapprove, or institute proceedings to determine whether to disapprove, the proposed rule change (File No. SR–LTSE–2026–15).
